Dr. Mohit Kumar Aggrawal

Date: 30/10/2025

To,

Save Life Trust

Name of the Patient: Baby of Munesh yadav

Age: NB

Gender: female

Medical Diagnosis: Preterm (26 wks.)/AGA (830 gm)/LSCS/female/Respiratory Distress (Post Surfactant)/Mechanical Ventilation/Apnea of prematurity/moderate PDA (2mm)/Shock/Sepsis Delivered at Girraj Ji Children Hospital at 04:07pm on 27/10/2025.

Suggested Treatment: Prolonged NICU management with ventilatory and respiratory support for 5 weeks

Proposed date of Treatment: As Soon As Possible

This is to sincerely request your kind support for the above-mentioned child, who is critically ill and urgently needs intensive medical care. The family is unable to afford the high treatment costs, and we appeal for financial assistance to help save the baby's life. The estimated amount provided is based on the current treatment plan, though complications may lead to increased expenses. Your timely help can bring hope to this child and family in their time of need.

Estimated cost of treatment: Rs 500000/- To Rs 600000/-

Thank You

Dr. Mohit Kumar Aggrawal
